- in the Staff Study entitled "Incentive and Secon Awards" which was approved by the Acting Director of Central Intelligence on 31 March 1956.
- 3. A gomeral discussion was hald conserving the need to expedite processing of "Round Robin" cases recommended for non-edyption. This resulted in temperatures by any 3 Constitute assessors, plus the Chairman's, to constitute a quorum for discoproval.
- following employee suggestions:

Security in the security of th
